

Social Justice Action Petition Policy

The circulation of a petition must be approved by the Social Justice Council and must be in compliance with the WSUU's tax-exempt status and consistent with the Seven Principles of the Unitarian Universalist Association. Groups circulating petitions must understand that they are not speaking/acting for the WSUU. If an individual member wishes to gather signatures, they must find or create a sponsoring group that is recognized within the WSUU.

The Social Justice Council (SJC) chair/s must be notified of the petition and group sponsorship by email ten days prior to circulating. If something urgent arises, contact the SJC as soon as possible so that the Council can read it and have a copy on file.
