# MINUTES: MEETING OF THE BOARD OF TRUSTEES OF WESTSIDE UNITARIAN UNIVERSALIST CONGREGATION

June 17, 2020

<u>BOARD ATTENDING:</u> (Virtual meeting through Zoom) Jade Lowry, Roseanne Lorenzana, Matt Aspin, Aimee Schiefelbein, Tony Ricardi, Thomas Terrence, Shelley Webb

STAFF: Shannon Day, Rev. Deanna Vandiver

TIMEKEEPER: Jade PROCESS OBSERVER: Shelley

# **GUESTS**:

Sharing personal testimony: Leilani Davenberry

Representing RJCT and the congregation as witness and support for personal testimony: Simon Knaphus, Marion Kee, Kerry Lusignan

Representing incoming Board members: Vanessa Shaughnessy, Marissa Ohoyo, Liz Berggren

<u>WELCOME AND CHALICE LIGHTING:</u> The meeting started at 6:33pm. Jade shared chalice lighting words from Mia Mingus entitled, "What if accountability wasn't scary?" with attribution to Rev. Deanna for bringing this to the congregation.

<u>COVENANT</u>, <u>ACCESS NEEDS</u>, <u>AND GROUNDING PRACTICE</u>: The Board and staff reflected on the covenant and agreed to covenant together. Aimee shared a grounding practice to bring members in to the space. Board members and guests shared a one-word check-in and access needs for the meeting.

<u>DISCUSSION OF INSTITUTIONAL RACISM AT WSUU AND HOW IT AFFECTS OUR PATHS TO LEADERSHIP:</u>
Rev. Deanna facilitated this part of the meeting, sharing a breath practice and setting the container for discussion and witnessing together.

Leilani shared barriers she's personally experienced in participating in and with leadership at Westside. She shared vulnerable and powerful experiences related to institutional racism and harm she's experienced within our congregation and in regional trainings. The outcome of which were the following take aways.

Leilani shared questions to consider:

Why are the delegates for GA not put through a more democratic process for selection? It
should be more transparent and voted upon by the congregation. Otherwise the process
appears to be available to a privileged few who can afford to go and who know the right people
to be a part of decision-making.

 How will Westside move forward to actively support BIPOCs in our congregation and in leadership, not to solicit for labor and representation but to actively take action to support BIPOCs in positions of leadership?

Leilani shared possible actionable items:

- Consider a requirement to be in service on the Board or at the pulpit for leaders to be actively committed to anti-racist work and participate in anti-racism and multicultural training and bystander training.
- After having a racist experience at the Board meeting, Leilani would like for one person on the Board to get back to her about how the Board is or isn't silencing people who are at the Board meetings.
- A change in how delegates are chosen, voted on, installed, and actively supported, especially BIPOCs. For example, the Westside Board members who are attending GA could learn and lean in and bring back information. There is a workshop about how we want yet resist diversity and another on dismantling ableism and reparations. All five reports on The Commission for Institutional Change are offered at the same time. It would be good if folx from the Board were going and collaborated with the delegates.
- Instead of seeking diversity and representation look at what Westside has done in the past to actively support its BIPOC members and BIPOCs in leadership. Leilani does not want apologies and emails of white people's feelings. What she would love is accountability and action.
- Leilani shares information about GA: Leilani will send details and links later about why the youth GA committee have resigned from their positions at GA.

Board member and incoming Board members were given the opportunity to ask questions and share comments. Gratitude and appreciations were shared with Leilani for bringing her vulnerability in sharing her experiences. Rev. Deanna led the Board in a blessing of gratitude and love for Leilani's labor and vulnerability.

<u>COVENANT:</u> Roseanne led the Board in a discussion for the incoming Board of sharing of what worked and didn't work in our covenant, as well as possible ways to improve that process.

APPROVAL OF MINUTES: May minutes approved as written.

### **REPORTS:**

- BRIDGE MINISTER REPORT: See report attached.
- <u>ADMINISTRATOR REPORT</u>: See report attached.
- DRE REPORT: See report attached.
- MUSIC REPORT: See report attached. The Board discussed the action item in the Music Director report (Scott would like to have someone take over his Covid tech coordinator role for Sunday services), and concluded this action item should be taken up with his supervisor where he can best get direction.

- TREASURER REPORT: See report attached.
- TRANSITION WORKING GROUP REPORT: See report attached.

## **LIAISON UPDATES:**

CONGREGATIONAL CARE PRIORITY FROM BIPOC: The last Leadership Assembly meeting was held on 5/31 and approximately 75 people attended. Roseanne reported there was a lot of great feedback on the Beloved Accountability study, and there are more opportunities to continue this learning. There is much appreciation to Roseanne for offering us her experience. In addition, there is an upcoming opportunity for BIPOC-only pastoral sessions in July with Rev. Joseph Santos-Lyons. This information was shared in the e-news.

<u>RJCT UPDATES:</u> There are no updates to share on actions in collaboration with the Faith Action Network (FAN). There will be an RJCT led service on July 26<sup>th</sup>. Simon shared that he is updating links to Westside resources at this link on our website: <a href="https://wsuu.org/racial-justice-change-team-rjct-resource-page/">https://wsuu.org/racial-justice-change-team-rjct-resource-page/</a>.

<u>CONGREGATIONAL CARE CLUSTER UPDATES</u>: Thomas is in contact with Care Cluster meeting facilitators. They share acknowledgement of Zoom fatigue and excessive screen time. Thomas will be holding a cross cluster event in the next couple of weeks. More details are forthcoming. The clusters continue to be engaged in supporting each other.

<u>FINANCE COMMITTEE UPDATES TO BUDGET</u>: Shelley shared that the budget is going according to plan.

<u>BOARD GOALS AND TRANSITION UPDATES:</u> Jade will be facilitating meetings to hand off items to the incoming Board. Jade encouraged Liz to reach out to Aimee to learn updates about Board Secretary duties. Shannon shared she will be in touch with incoming Board officers to get signatories on WSUU bank accounts.

## **UPDATES**:

• COVID-19 ADVISORY TASK FORCE: The Board reviewed the updated purpose and description of the COVID-19 Advisory Taskforce. Incoming Vice President Marissa and current President Jade put the latest version of the purpose and description through the Equity Decision-Making Tool. What came out of that process was a discussion of being cognizant of equity with the chair and task force member selection. In addition, the document was changed to offering recommendations and authority for decision making, as opposed to having complete authority. An anonymous survey was created for people to obtain feedback on characteristics of task force

leaders and members, in addition to getting recommendations and nominations from self or others. The survey will go in e-news this week and be announced from the pulpit.

- <u>RIGHT RELATIONS PRIORITIES FOR INCOMING BOARD</u>: Jade shared the Right Relations work and the foundation this Board has offered with regards to the Right Relations work as well as potential next steps for 2020-21 Board.
- <u>BUILDING/FACILITY PRIORITY FOR INCOMING BOARD:</u> Recommendations were shared to the incoming Board to consider obtaining a Building Committee lead, engage in strategic facility planning, and maintenance/repair/management of our building. This will need to be done in collaboration with the soon to be formed Covid-19 Task force.
- GEMS OF WISDOM FROM OUTGOING BOARD TO INCOMING BOARD: Gems of wisdom from the outgoing Board were shared in a document with the incoming Board
- INCOMING BOARD DATE PLANNING: Due to time constraints this will be discussed after the meeting.

### **CLOSE OF MEETING:**

• PROCESS OBSERVER REPORTS: Shelley shared feedback on interactions among Board members.

The Board adjourned at 9:03pm. The next regular meeting of the Board will be held on July 16, 2020 by Zoom.

# Dear Ones:

What a time to be alive. The music of  $\underline{\text{Rev. Sekou \& the Holy}}$   $\underline{\text{Ghost}}$  has been a sustaining soundtrack to this moment among moments in time.

In the midst of the so much, sometimes images and songs reach us in ways the written word on its own cannot. And in the midst of grief brain, sometimes images and songs are what we can offer to each other, when words alone will not come.

This has been a year among years in my life, in this congregation, in our faith, in this nation, and in our world. I honor the generous gifts of leadership, compassion, holy curiosity, authentic connection, and support that you have offered to this congregation, including the WSUU religious professional staff, during a year when revelation has been ever unfolding. I give thanks for your willingness to make space for and engage in Beloved Accountability and Beloved Leadership.

As I create this report, we are trusting that the visa for Rev. Christopher Wulff will be issued this month and that my service as your Bridge Minister will be ending soon. And we a prepared to adapt as necessary, should July find us still waiting. May we extend each other every grace in this time of transition in ministry and lay leadership. For any awkward and weird and hard, may we find balancing joy, gratitude, and ease. What a time to be alive, beloveds. I am grateful for the unexpected gift of this time with y'all.

Love, Rev. Deanna Vandiver

Re: DRE Board Report for June 2020

Wow!! It is incredible to realize that it is already June and we have held all our RE year classes and thrown, on June 6<sup>th</sup>, our end of the year party. By Zoom! I continue to experiment and try new things for our children and parents. I continue to offer RE through pre-recordings, live-streamed classes and events, as well as weekly home projects sent to parents, as well as suggestions sent in the RE News blast I send each week.

**RE News:** In addition to sending a weekly blast to RE families and friends about the week's upcoming RE classes and offerings, I have been including ideas for home projects that are different from the ones sent to parents of children, middle schooler, and youth that I email each week.

**Nursery:** I send recordings that Julie Vance is making of herself reading stories to our nursery children to our parents of nursery-aged children each week for parents to show their children when they wish. Since the end of April, Ivy Ficarra, my other Nursery teacher, has been working with Scott Farrell, singing for songs for our services, as well as captioning songs for our services.

**K-3 Spirit Play class:** I continued to send recordings of the K-3 Spirit Play class home to parents on our RE private YouTube channel to have their children watch at their leisure from the beginning of this virtual period. Some parents have their children watch this pre-recording after the story for all ages is told in the service, and others show it at another time in the week.

**4-6**<sup>th</sup> **Grade:** I have been offering the 4-6<sup>th</sup> grade class live-streamed since March 8<sup>th</sup>. This class is being offered after the story for all ages is told in our Sunday service. Many thanks to our 4-6<sup>th</sup> grade teaching team for continuing to offer this class in this new format. I adapted all curriculum to work in this new format.

**Middle Schoolers:** I have been offering home projects for middle schoolers, as well as offering opportunities to connect on Zoom. It is a hard sell with children being asked to be on zoom for an overwhelming amount of time for school, seeing friends, and more. The UUA will be offering a middle school summer camp (by zoom) July 5-12 and I am hoping that some of our middle schoolers attend.

**End of Year Class Party:** We held our end of the year combined classes party for all children on Sunday, June 7th. Joining me were Cheryl Brown and Don Wahl. The children had asked for a scavenger hunt and it was a huge success and FUN!

**Youth Group:** The Youth has continued to be connected with each other through Simon Knaphus (lead youth advisor) and myself. The youth group won't be meeting during the summer though Simon and I will be offering suggestions for ways they can connect. There will also be a UUA summer camp by zoom for youth July 5-12 by zoom and we are encouraging youth to participate.

Chalice Chapels: Sunday, May 24th Cheryl and I live-streamed a Chalice Chapel to connect our children ages 5-12 to give each child time to be together, see each other, have a conversation, share something that means something to them by bringing a show and tell item from one of the home projects or something else they would like to share. It was a lovely space for our children to connect, have fun, and talk about what has been going on for them.

**Multi-Gen Service:** Rev. Deanna and I will be offering the annual RE Celebrations service on Sunday, June 14<sup>th</sup>, as a live-streamed service for the first time ever. I mailed out 44 packages with presents and handwritten cards to every child and youth transitioning into kindergarten, middle school, high school, or bridging to adulthood, as well as to all the RE Council members and Simon Knaphus. The RE Council wrote and sent out 56 thank you cards to all those congregants who taught in RE this year as part of this end-of-the-year celebration. It has been a huge pivot to create this service as an on-line service and meaningfully welcome Westside's children into their new grades. I am excited about this service and grateful for all the ongoing participation of our children, youth, families, RE Council members, youth advisors, RE teachers, and the wonderful and invaluable support of Cheryl Brown, the RE Program Assistant.

Home Projects: I send home projects every week to parents of RE children and to parents of our Middle Schoolers and to Simon to send to our youth group in his regular email blasts to youth and their parents. These projects are ones I feel will be useful, fun, and interesting, and give parents something to offer their children – especially for those who don't necessarily, during this time, want to participate in RE classes. I am reaching out to parents in this way and creating ways they can engage their children during this time. This week's home project, for instance, was book recommendations for each age range beginning from babies through youth, for having conversations with their children about race. I encouraged everyone to invite their children to read these books and/or read along with them and have a conversation about what they are reading. These conversations are deeply important and can be had at every age. We post an ongoing list of RE home projects on our Facebook page.

**Pastoral Care:** I have been working my way through our list of parents, contacting everyone to check in with them to see how everyone is doing during this difficult time.

**DRE Colleagues:** I continue to meet every other week with my DRE colleagues during this time – to support each other, learn from each other, and more. This has been invaluable! I'm so grateful for this group of regional DREs.

**Stories for All Ages:** I work with a strong team of tellers with a wonderfully diverse range of styles and strengths. I am so grateful to all of our storytellers for pivoting to pre-record their stories for Westside's services. We are all incredibly blessed by their generosity. Storytellers are scheduled through the summer of 2020.

# MUSIC DIRECTOR MONTHLY REPORT June 2020

**ACTION ITEMS**: Tech Coordinator and Music Worship Support Team ... see #2 and #3 below.

As we continue to have ever evolving tech based services, I'm becoming aware that some responsibilities still need to be shifted a bit. I'm working more than my 20 hours a week and the vast majority of these are spent in preparing the tech for services, not in my role as Music Director. I'd love to be spending more time preparing things for the choir to feel connected, and look for other ways to enliven the musical presence during covid, but I simply don't have the time. Any suggestions or solutions would be most welcome!

- 1. The Westside Chorale: We are continuing our Wednesday check-ins. We're moving forward with working on a Virtual Choir video using "Draw the Circle Wide" recording from our May 5, 2019 service when Rev. Christopher was with us. My hope is to have it as one of the pieces of music for either his first service or during the transition service with him and Rev. Deanna. I've figured out a way to use the recording and individual videos of our singers singing along with it that should look and sound wonderful. Keep tuned!!
- 2. Finding someone to take over tech coordinator role: I am working on a document that delineates everything I do each week, step by step, in order to train at least one person to be able to step in for me. I haven't had a single Saturday or Sunday free for over 3 months now ... I'm at every tech rehearsal and am overseeing every single video that gets played. This last Sunday we had 23 videos. Often I have to "fix" things that come in with uneven sound levels or missing video elements. Our team is great, and often things are perfect, but I still have to check everything. Plus all media gets sent to me at the offset. I'd love some suggestions and support on finding this person(s), and maybe to finding ways to dispersed the
- 3. Music Worship Support Team: I just got the "ok" last night from Lisa Maynard for the request to serve as co-chair for the MWST with John Britt. Next steps will be to notify and get final buy-in from team members and have a preliminary zoom meeting by the end of June. I'd love to have this team in place and ready to go as Rev. Christopher moves into place so that the team, Rev. Christopher and I can all be cocreating the next phase of music here at Westside. I'm soooo excited for this to happen.
- 4. AV team: I'm still so very, very thankful for the dedication and hard work of our tech team and video editors. As we've been seeming to add more elements each week to our services, they are making these services possible.

# Administrator Report to Board June 2020

Greetings board! It is the last meeting for a few of you. Thank you so much for your amazing service to Westside this year. It has been an honor and privilege to work with you!

### No action items for me this month.

# **Sunday Morning Attendance and Offering (Charity Portion)**

| Date    | Speaker/Special Circumstances       | Attendance | Collection (charity portion) |

| 6.7.20  | Rev. Deanna Vandiver/Annual Meeting | 110 units  | \$248.37                     |
| 6.14.20 | RE Transitions Service              | 121 units  | \$183.04                     |

**Virtual Services/Offering Collection:** attendance at our virtual worship services remains strong and we continue to get positive feedback on this vital weekly connection. Offering collections are variable and still engaging only about 30% of those viewing our services.

**Membership:** A beautiful development is that Laura White has been busy offering Zoom membership meetings and we have 2 new members this month, Naomi Bradfute and Trey Powell. We also had one previous member re-join – Liz Goodwin. On the filp side, we have heard from 5 members who have resigned their memberships. There may be a few more as we try to make contact with those who did not respond to the stewardship communications.

**Stewardship:** As of today (6/15/20) pledges in hand for 2020-21 are \$286,761. We are cautiously optimistic that we may reach \$288,000

**Tenant:** Leaps and Bounds continues to see children one-on-one and were able to make their complete lease payment for June. We had a check in meeting this month and they are staying busy and financially strong, which is such a blessing to us as many churches have lost rental income due to leases with schools.

**Facility Issues:** As I emailed earlier in the month, we had some water damage occur in the lower level. With a brick building it is very difficult to determine the source of leaks but the large sanctuary windows are highly suspect. Gratitude to John Monahan for responding to this crisis and to Paula vanHaagen for the loan of her dehumidifier. I am setting up a meeting with the facilities team to discuss next steps.

Janitorial Services: with the approval of the finance committee and treasurer, I am restarting janitorial service on the building once monthly. Even unused the bathrooms and carpets need care. Leaps and Bounds will be hiring our janitorial service and will take over the scheduling and payments for cleaning the lower level until we are sharing that space again. Our contract with them does specify that they share the janitorial care of that space and this is something the owner was talking about doing even prepandemic so not an unforeseen hardship for them.

# Things requiring extra attention and time in May:

Stewardship support, contacting members about new pledge payments and setting up pledge payments, annual meeting preparations, facility issues.

In loving Community,

Shannon
